Therapies: Brennan Healing Science, Edgar Cayce Remedies, Relaxing Massage  
Therapy, Aromatherapy, Hypnotherapy, Reiki, and Soul Retrieval with a  
strong foundation in psychodynamic training.  
Specialization I work with people helping them integrate all of the different and unique  
: aspects of their personality. I also work with people who have serious,  
life-threatening or terminal illnesses and will come to the hospital or  
residence for healing treatments.

Comments: I'm a 3rd year student of the Barbara Brennan School of Healing, have two Masters degrees in counseling and human services, and am one year away from finishing my Psy.D in Clinical Psychology. I'm also an Astrologer, Inner Guide Initiator, and have been a Past-Life Therapist for about 10 years. I teach a small workshop in Integrative Energy Medicine in my home, usually once a month. Classes are very experiential and involve hands-on energy work, chakra and aura analysis, and learning what it feels like to be grounded and present. Each person gets a lot of personalized instruction based on their own individual needs and their level of awareness.
